

# Small actions. Huge impacts.

the good people fund  
מעשים טובים

## A generous donation has been made to The Good People Fund by

The Good People Fund is inspired by the Jewish concept of *tikkun olam* ... repairing the world. We provide financial support, guidance and mentoring to small, unique programs primarily in the US and Israel. Each is led by an inspiring visionary and addresses social and economic injustices and inequalities in creative ways. Our support allows them to grow and deepen their impact.
